

Model QY -250 hydraulic compressor

Order number	Maximum compression	Maximum oil pressure (MPa)	Applicable diameter	Stroke (mm)	Weight (kg)
16106	2500	94	Copper tube $\leq \Phi 95$ Steel tube $\leq \Phi 50$	35	126

- . Uses: to compress conductor ,earthwire and Cupreous- aluminous terminators
 - . feature :drawer type structure ,reasonable and compact .
 - . note :1.maching superhigh pressure pump station .
1. mating QY-250M pressure die .(order number 16106G and 16106L)need to purchasing additionally .
- . Specification :G-16.18.20.24.26.28.30.32.34.36.38.42.44.45.48.50.
- L- 30. 32. 36.40.42.45.48.52.60.65.70.74.76.80.95.
